Note:

Water samples for microbiological and chemical hygiene tests must be taken under sterile conditions. Incorrect sampling can affect the test result! Water samples have to be sent to LUFA Nord-West as quickly as possible dark and cool. For information on sampling visit www.lufa-nord-west.de.

Prices should be understood to mean prices net of the statutory VAT. Prices are subject to change without notice. Price increase is possible in case of extremely high additional costs upon agreement. The general terms and conditions of LUFA Nord-West apply (see Internet: www.lufa-nord-west.de).
